# ABOUT US

Rennus Expro is an indigenous company incorporated in Nigeria as a Limited Liability Company.

We are committed to project delivery on schedule regardless of the terrain without compromising quality which translates in our volume of repeat business.

Our projects are executed with uttermost professionalism and meeting clients standards in a timely and safe manner.

We have earned a deserved reputation for excellence and high quality service to private and public sectors alike.

To become the Best Civil Company in the Construction and Oil Industry.

To deliver projects safely on schedule without compromising quality.

## Our Strategy

Our strategy for 2020 and beyond is very simple.

We want to grow by:

- Enhancing our position in our Major market: the oil & gas
- Increasing our capabilities and the range of services we are offering to our customers
- Expanding our geographic presence, particularly in the Growth Regions.

Dear Sir,

**CONSTRUCTION OF RCCG FRUITFUL VINE PARISH .**

Following the series of meeting held with your representative in attendance, We hereby request that you take full responsibility as the contractor for this project.

As explained we can't afford to pay going by the figure in the bill of quantities, but payment shall be made anyways. Our choice of your company is premise on the assurance of a level of goodwill in the form of discounts we stand to benefit.

As the contractor, you will take full responsibility of procurement and construction as the profession demands. You shall liaise forthwith with our representative in the person of Mr Emmanuel Madojemu the project team head. He shall take decisions on our behalf which shall include verification of quantities, cost and approvals.

Meanwhile, we shall maintain the direct labour approach with your work team. At all times, you shall be required to raise your material/labour requisitions, submit them to the technical team head and expect approvals from him. This applies to all technical related matters as well.

You shall provide a work schedule showing the duration of the first phase which includes the Substructure to the First floor slab.

The contract document available for your use includes:

1. Architectural drawings
2. Structural Drawings
3. Electrical drawings
4. Mechanical Drawings
5. Bill of quantities.

We request that you generate a milestone and propose payment figure for each milestone.

We anticipate your timely delivery as we progress on the various phases.

## **ANTI-BRIBERY AND CORRUPTION POLICY.**

Rennus Expro takes a zero-tolerance approach to bribery and corruption. We as a company are committed to conducting its business with honesty, integrity and the highest standards of personal and professional ethical behaviour.

Bribery and corruption are not compatible with Diamond Protection's values, are unlawful and will not be tolerated. Corruption can be defined as the misuse of office, power or influence for private gain.

Acts of bribery are designed to influence individuals to act dishonestly in the performance or discharge of their duty. It can be defined as the offer or acceptance of an advantage as an inducement for an action which is illegal, unethical or a breach of trust, and can take many forms, including:

- the promise, offer or authorization of anything of value
- the offer or receipt of any kickback, loan, fee, reward or other advantage
- or the giving of aid or donations designed to exert improper influence.

For the purposes of this policy, there is to be no difference in treatment where the target of the act of bribery or corruption works in the public or private sector.

RENNUS EXPRO'S corporate values require that in all aspects of business all personnel act honestly, adhere to the highest ethical standards, and act in compliance with all relevant legal requirements. Personnel must not engage in bribery or any other form of corruption. The prohibition of bribery under this policy includes the provision or conveying of anything of value to any third party; official or family members of officials, directly or indirectly; to secure improper advantage or to obtain or retain business.

This policy applies across the RENNUS EXPRO business, to all subsidiaries and joint ventures controlled by RENNUS EXPRO and to all employees, officers and directors of those business entities. In certain circumstances Rennus Expro must also apply this policy to third parties by including appropriate anti-bribery and anti-corruption clauses in their engagement documentation.
